## Governance Policies

**Subject: Solid Waste Credit Policy**

**Adopted: February 17, 2011**

**Resolution: 2011-02-11**

### Solid Waste Credit Policy

1. The Development Authority of the North Country (DANC) will extend credit under the terms outlined below upon completion, submission, and acceptance of attached Credit Application, Authorization for Release of Credit Reference Information and Guarantee of Payment. Applications must be filled out completely with all requested information. Applications received that are incomplete will not be considered.
2. A nonrefundable application fee of \$75.00 is due at the time the application is submitted.
3. All credit applications will be subject to a credit bureau check, as well as trade reference verifications.
4. The Authority's billing cycle is twice monthly. A statement of account is generated for transactions incurred from the 1<sup>st</sup> of the month through the 15<sup>th</sup> of the month and again for transactions incurred the 16<sup>th</sup> of the month through the last day of the month.
5. Payments for new transactions are due within 30 days of the statement date on which those transactions appeared.
6. A late payment fee of 1 ½% of the outstanding balance will be charged for statements over 30 days.
7. If an account is 10 or more days past due, charging privileges may be revoked until the account becomes current.
8. Customers who hold a solid waste disposal permit for the Authority's landfill may be subject to revocation of that permit and their trucks denied entry to the landfill for accounts deemed by the Authority to be severely delinquent.
9. In cases where a customer's check is returned for insufficient funds, a \$25.00 service charge will be applied to the account, and the customer's account will be considered past due until the debt has been satisfied. The customer's waste hauler permit may also be revoked, if applicable.
10. If a customer requests that a returned check be resubmitted for payment, and the check is returned a second time, an additional service charge of \$25.00 will be applied to the customer's account and payment will then have to be in the form of a cashier's check or money order. The customer's waste hauler permit may also be revoked, if applicable.

11. For accounts that are denied credit terms, prepayment must be made before any transactions can be processed for that customer. Prepayment for the anticipated costs of the disposal job must be remitted to the Development Authority of the North Country's main office at 317 Washington St., Watertown, NY 13601 at least two (2) days prior to the actual disposal to allow for processing.
12. The Authority will no longer accept C.O.D. payments. All customers that do not have a credit account must arrange pre-payment for their anticipated monthly costs.
13. The Authority's Solid Waste Management Facility does not accept payments, either by check or cash at the landfill facility. All payments, whether on account or by pre-payment must be remitted to :

Development Authority of the North Country  
317 Washington Street  
Watertown, New York 13601

14. Accounts for which there has been no activity for a period of 2 years will be closed. It will be necessary to reapply for future credit transactions.
15. The Development Authority of the North Country, in its sole discretion, reserves the right to deny credit to anyone for any reason.
16. The Authority reserves the right to request an updated credit history and re-evaluate such approval at any time.
