

Draft - Proposed Publishable State Data Sets - For Internal Discussion Purposes - Pre-Decisional - Draft

<u>Name of Agency</u> (no acronyms)	<u>Proposed Publication Date</u> Month & Year	<u>Name of Dataset</u>	<u>Description of Dataset</u>	<u>Frequency of Update</u> (eg., daily, bi-weekly, weekly, monthly, quarterly, annually, as needed, etc.)	<u>Size of Dataset</u> Approximate number of rows in the Dataset	<u>Years of Data</u> Scope: Is this a snapshot / current view; Or is this historical data? How many years of data are included.	<u>Current Format</u> 1. Source system / application name where data resides 1.a. include format of data 2. From where is the data extracted (e.g., Mainframe, PDF, Excel, HTML)? Is it Geospatial (Shapefile, other)? Is it extracted or manually compiled	<u>Publicly available</u> Is the data public? Is the Dataset already disseminated? To whom? where?	<u>Contact Information for:</u> 1. Data Coordinator 2. Data/Program Owner 3. Technical Contact	<u>FOILED</u> Is this data frequently FOILED	<u>Added Value of the Data</u> Who will be interested in this data? What benefits, trends, analyses, usage can be derived? Review questions in Provisional Open Data Handbook pages 8-12
Development Authority of the North Country	July 2014	Tons Solid Waste/year	The Development Authority of the North Country owns and operates a solid waste management facility. It is the sole solid waste disposal facility serving Jefferson, Lewis, and St. Lawrence Counties. The data indicates solid waste tonnage received from each county, per year.	Annual	37	12 years historical and current	Excel/ Manual	Yes-disseminated to Counties; posted on Authority website; Authority Annual Report	Thomas Sauter Deputy Executive Director 315-661-3200 tsauter@danc.org	No	Counties, NYS DEC, Customers
Development Authority of the North Country	July 2014	Tons of Green House Gases Emitted, by year	The Development Authority of the North Country owns and operates a solid waste management facility, serving Jefferson, Lewis, and St. Lawrence Counties. The process of decomposition of solid waste creates gases, some of which are released to the environment. Quantities of gases emitted are calculated each year and reported to USEPA.	Annual	5	3 years historical and current	Excel/ Manual	Yes- disseminated to NYS, EPA	Thomas Sauter Deputy Executive Director 315-661-3200 tsauter@danc.org	No	USEPA, Customers
Development Authority of the North Country	July 2014	Megawatt Hours of Electricity Produced by year	The Development Authority of the North Country owns and operates a solid waste management facility serving Jefferson, Lewis, and St. Lawrence Counties. A portion of the gases produced during decomposition of the solid waste are captured and used for fuel at an on-site electrical generating plant. The electricity produced is sold to the private utility power grid.	Annual	7	5 years historical and current	Excel/ Manual	Yes- disseminated to Town of Rodman	Thomas Sauter Deputy Executive Director 315-661-3200 tsauter@danc.org	No	NYS DEC, Counties, Customers
Development Authority of the North Country	July 2014	Gallons of Water and Waste Water Transported/year	The Development Authority of the North Country owns and operates two water distribution facilities, and one waste water collection facility, in Jefferson County. These pipeline facilities provide water or sewer services to the surrounding municipalities.	Annual	29	9 years historical and current	Excel/ Manual	Yes- disseminated to US Army, Municipal customers	Thomas Sauter Deputy Executive Director 315-661-3200 tsauter@danc.org	No	NYS DOH, DEC, Customers
Development Authority of the North Country	July 2014	Capacity of Telecom Network Circuits in Service/year	The Development Authority of the North Country owns and operates an open access telecommunications network, providing wholesale telecommunications circuits to retail service providers and private network operators across the region.	Annual	7	6 years historical and current	Excel/ Manual	Yes- Authority Annual Report	Thomas Sauter Deputy Executive Director 315-661-3200 tsauter@danc.org	No	NYS PSC, Customers
