

Hermon Comprehensive Plan Meeting

**Hermon Town Hall, 109 Church Street
Thursday, July 21st at 6:00 p.m.**

**Please come and share your thoughts
on work done to date and tell us what you want
Hermon to look like in 10 years**

The Town and Village of Hermon have asked the St. Lawrence County Planning Office to develop a comprehensive plan for Hermon. A comprehensive plan is a document that helps guide the future growth and development of a community.

A group of about 25 individuals attended the first meeting for the development of this plan back in March. The July meeting will be an opportunity to come and see what ideas were generated, to comment on an outline for the plan, and to tell us what you would like Hermon to look like in 10 years and help determine how to get there.

**Also, please fill out
