

You're Invited

to a special meeting at the
Hermon Town Hall on
Thursday, March 17th at 6:00 pm

Is there something about Hermon that you are particularly proud of and want to share?

Do you have ideas about how to make Hermon a better place to live?

Please come and share your thoughts.

The Town and Village of Hermon have asked the St. Lawrence County Planning Office to develop a Town-wide Comprehensive Plan for Hermon. A Comprehensive Plan will help guide the future growth and development of the community.

Before this Plan for Hermon's future can be prepared, a thorough understanding of the existing conditions and concerns in the community needs to be developed. At this meeting on March 17th, participants will be asked to identify the strengths, weaknesses, opportunities, and threats for Hermon.

**Please join your fellow Hermon residents at the Town Hall,
109 Church Street,
on Thursday, March 17th, 6:00 pm**

Contact Supervisor Nicole Bacon-Ward at the Hermon Town Hall, 347-3606, or Jason Pfothenauer of the St. Lawrence County Planning Office at 379-2292 for more information.
