Press Release – For Immediate Release

Special Meeting Slated for March 17th to Discuss Ideas for the Future of Hermon

Is there something about the Town and Village of Hermon that you are particularly proud of and would like to share? Do you have ideas about how to make Hermon a better place to live? Are there areas that you feel could be improved in the Town? All Hermon residents are invited to a meeting at the Hermon Town Hall at 6:00 pm on Thursday, March 17th to discuss these and other planning related issues.

The Town and Village Boards are sponsoring this meeting to get input from the public about their vision for Hermon. Nicole Bacon-Ward, Town Supervisor, stated that “This meeting will give members of our community a unique opportunity to share their thoughts about what the strengths of the community are and what opportunities there are to make it better. I strongly encourage all residents to attend and help shape the future of Hermon.”

Hermon is in the process of preparing a Comprehensive Plan, and the ideas generated at this meeting will be used in preparing this Plan. A Comprehensive Plan identifies and prioritizes the needs of a community. The Plan will include an implementation strategy to ensure that the ideas move from paper to reality. Having a Comprehensive Plan in place will also make the community more competitive for some grant funds.

This meeting will be held at the Hermon Town Hall, 109 Church Street, at 6:00 pm on Thursday, March 17th. Representatives from the St. Lawrence County Planning Office will facilitate the discussion. For additional information please contact Nicole Bacon-Ward, Town Supervisor, at 347-3606, or Jason Pfothenauer of the County Planning Office at 379-2292.
