To download your bills, you may need to install [Adobe Acrobat Reader](#).

Need to save or print your bills? First, you need to download selected bills from the list above. After downloading, you must save them to your hard drive, then print for filing. The PDF bills provided for download on the National Grid web site are legal copies, authorized to confirm identity. **If you do not have a printer, request a mailed copy to your current address.** If you need more assistance, please [contact us](#).

Make your bills more predictable — go on our Budget plan. A Budget plan makes it easier to manage your household energy payments from season to season by taking the "peaks and valleys" out of your energy bills.
